

# AUDIO BOOK GROUP

This is a friendly book group for any blind or partially sighted people who use audio tapes and CDs to listen to books and who live in the Harlow area.

We meet on the **second Tuesday of each month at Mark Hall Library from 11.a.m.** Free door-to-door transport is available in the Harlow area. The tapes and CDs are free from Essex Libraries. After the meeting we go for lunch together.

We have been open for two years and have been lucky enough to receive a further two years funding from the Harlow Health Centres Trust. This includes funding for a number of trips each year. We have now developed regular activities outside of the book discussions. These include talks about books, a visit to a Music Hall at the Playhouse and canal boat cruises.

We would welcome new members. For further information please ring Pauline on 01279 300585.
