*Outside Inside* has been organised by the Friends of the Harlow Sculpture Collection to celebrate Harlow's 60<sup>th</sup> anniversary. Sculpture has played an important role in the story of the new town so we are delighted to be taking part in the anniversary celebrations with an exhibition of work by artists from Harlow's collection.

We have chosen to exhibit twenty-five sculptures and to showcase some of the collection's less familiar artists. We hope that the exhibition inspires you to take time to venture out into neighborhoods and explore Harlow's sculpture collection.

## **Opening Times:**

Saturdays, 9am – midday
