

Harlow Youth Councillors were invited to make a presentation to Brentwood and Rochford Youth Councils during their residential at Bradwell.

Hannah (YEA), Jack, Josh, Kinjal and Sean went along and explained how Harlow Youth Council works and told them about some of the events they'd attended and the achievements they'd made.

The young people from Brentwood and Rochford were very friendly and welcoming and we hope that Harlow's presentation and information will help them with the youth councils they are starting to develop.

The photo shows the Harlow Youth Councillors at Bradwell, telling us that they want to go back there!

Thank you to everyone at Brentwood and Rochford Youth Councils for inviting us along.
