4. All solvent appears to have removed from the dry cleaner.

For your information

Surrender the permit

Where an operator intends to cease the operation of an installation (in whole or part) the regulator should be informed in writing and such notification must include the information specified in regulation 24 of the EP regulations.

Transfer of the permit in part or full

Before the permit can be wholly or partially transferred to another person, a joint application to transfer the permit has to be made by both existing and proposed holders in accordance with regulation 21 of the EP regulations. A transfer will be allowed unless the regulator considers that the proposed holder will not be the person who will have control of the operation or will not ensure compliance with the conditions of the newly transferred permit.
