This report provides a summary of the latest available information on the demographic and socio-economic make-up of the Staple Tye ward within Harlow district. It looks at the population structure and provides information on the economic, housing and educational achievement of the ward.

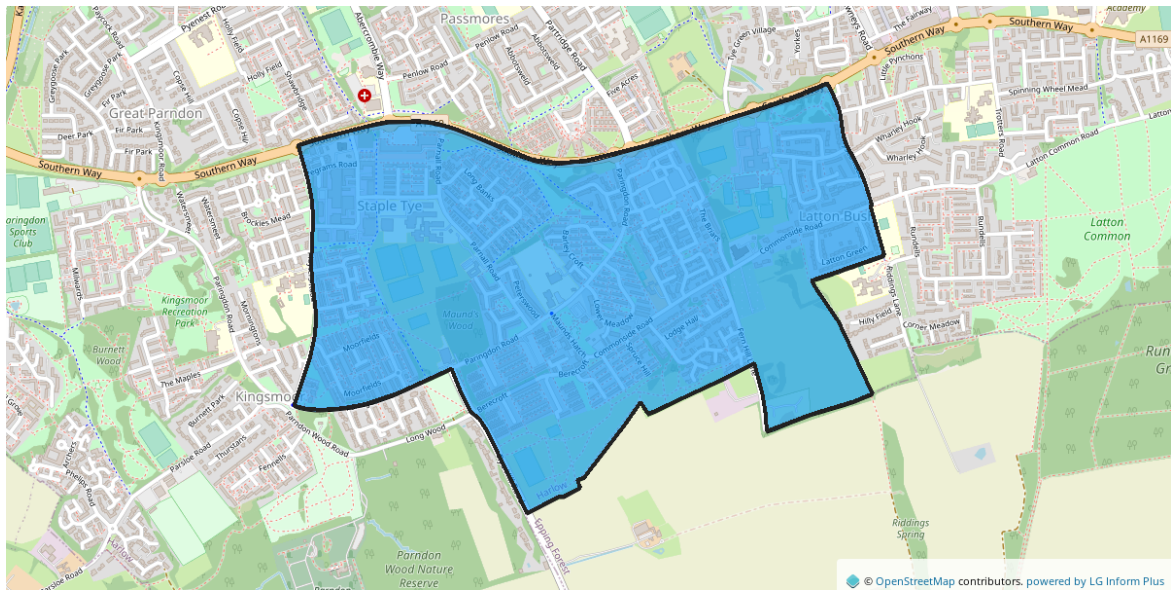

This sample report is part of a series of reports available from the Local Government Association's LG Inform Plus service. Other free reports include demographic and economic profiles of Harlow and a health and wellbeing profile which enables a side by side comparison of all wards in Harlow.

With a subscription to LG Inform Plus there are many more reports about your area available to you. You can also see detailed maps, charts, tables and reports about any of nearly 1500 metric types from the LG Inform Plus database showing information about as the population, health, economy and facilities in your area (and much else).

A subscription also allows you to create your own tables, charts and maps for wards and other areas within your authority's boundary, or build a custom area report using the full set of national and local data stored in our database, as well as giving you access to many other useful tools.

To find out more about our service please telephone 020 7664 3001, email: [lginformplus@local.gov.uk](mailto:lginformplus@local.gov.uk) or take a look at <http://about.esd.org.uk/subscription-benefits>.
