	mixed paper	
	mixed glass bottles & jars	✓ Washed glass bottles and jars
	plastics	✓ Any plastic items showing:  or 
	aerosols	✓ Food tins ✓ Drink cans ✓ Sweet / biscuit tins ✓ Tin lids ✓ Clean foil
	foil	✓ Empty aerosol cans * make sure that tins and cans are rinsed clean.
	food tins & drink cans	

**No thanks ✗**

	<b>Food</b> This is recycled separately.
	<b>Plastics</b> Any plastics not marked with the  or  symbol. Put in non-recycling.
	<b>Packaging</b> Packaging that cannot be recycled (e.g. polystyrene). Please put in non-recycling.
	<b>Clothing</b> There are a number of textile banks around the town where clothes and textiles can be recycled - see our website.
	<b>Nappies and other sanitary waste</b> We provide separate services for these or put in your non-recycling.
	<b>Black and purple bags</b> Please do not place these in your recycling.
	<b>Ceramics or crockery</b> Reuse or donate to charity, if broken, wrap and put in your non-recycling.
	<b>Wallpaper</b> Please put in your non-recycling.
	<b>Garden waste</b> We provide a separate bookable service - see our website.

## Green food waste bins / caddies

**Yes please ✓**

	fruit & vegetables		meat & bones		dairy		tea & coffee grounds		bread & pastries
	fish		fish		fish		fish		fish

Should you choose to use compostable liners, please ensure these are marked with the seedling logo (left), which are available from most supermarkets, or wrap food scraps in newspaper.

**No thanks ✗**

	<b>Plastic, black and purple bags</b> Please do not place these in your food waste, even if they are biodegradable.
	<b>Pet food</b> Recycle cans and tins. Place remaining pet food in non-recycling.
	<b>Garden waste</b> We provide a separate bookable service - see our website.
	<b>Cans, tins, bottles, jars, cooking oil</b> Recycle cans, tins, bottles and jars. Take cooking oil to the Recycling Centre for Household Waste.

Extra recycling can be placed in unlined sacks that are not black or purple. Please ensure all packaging is clean and empty.
