Harlow Local Development Plan Pre-Submission Publication May 2018

Subject matter and area covered by the Local Development Plan

Harlow Council has prepared the Pre-Submission Publication version of the Harlow Local Development Plan together with a Policies Map which it proposes to submit to the Secretary of State for Housing, Communities and Local Government. The Harlow Local Development Plan provides a spatial planning framework to shape and guide development in the town until 2033. The plan sets out a spatial vision together with a number of strategic objectives that are supported by a suite of strategic and development management policies. The accompanying Policies Map identifies sites for housing employment and other forms of development, as well as those areas which are subject to a range of policy and environmental constraints. A separate Area Action Plan is, however, being prepared for Harlow Town Centre. The inset on the Policies Map indicates the area covered by separate Area Action Plan.
