

Dear Mr Reed
Inspector

Policy HS2-5 Land South of Clifton Hatch

On Wednesday 3 April the HS2 sites were discussed and I wanted to be present for the Clifton Hatch site allocation as my home of 40 years overlooks the playing field. To that end I feel I should include my observations of the playing field used by the residents, as it has always been well maintained by the council so that it is usable.

Winter months: it is used by dog walkers.

From Spring onwards: Dog Training Classes, Golf practice, Kick-about with families and Family picnics (probably used by families who live in the flats nearby).

Yours sincerely

Mrs Sandra Beavis
