Dear Mr Bramidge

HARLOW LOCAL DEVELOPMENT PLAN (HLDP) EXAMINATION: MAIN MODIFICATIONS

Thank you for your letter dated 18 December, my replies are as follows:

1. Yes, I would anticipate that the minor changes in the SOM and any others the Council identify would form part of the schedule of AMs.
2. The table should be based on the most accurate information available so the revised figures should be used.
3. It is correct, this simply introduces the various points below.
4. MM7: area a.i was included in error, my apologies.
5. Probably – the Council should make any necessary editorial changes such as these.

This exchange of formal letters should be placed on the examination website.

Drawing up the detailed schedule of MMs will necessarily raise numerous matters of wording and other minor queries which can now be dealt with informally via the programme officer prior to public consultation in due course.

Yours sincerely

David Reed
