

Harlow Local Development Plan Examination

Andrew Bramidge
Head of Environment and Planning
Harlow Council

18 June 2020

Dear Mr Bramidge

HARLOW LOCAL DEVELOPMENT PLAN EXAMINATION

Thank you for your letter dated 15 June together with the Schedule of Responses to the consultation on the Main Modifications, including officer comments on these, and copies of the responses themselves. All these documents should be put on the examination website for information together with this letter.

The responses to the consultation will now be reviewed and as a result there may be some instances where amendments to the MMs are required. The finalised list of MMs as the result of this process will be published alongside my final report in due course.

Any Additional (minor) Modifications such as that suggested for paragraph 19.3 or changes to the AMs already published are a matter for the Council.

Unfortunately given the slight slippage that has occurred, the need for consideration of one or two new matters and internal checking of the report before issue it is now unlikely the final report will be available until sometime in July.

Yours sincerely

David Reed
