Dear Mr Bramidge

## HARLOW LOCAL DEVELOPMENT PLAN EXAMINATION

Further to my letter dated 3 August 2020 regarding the forthcoming amendments to the Use Classes Order, one further possibility the Council may wish to consider is to avoid further delay at this late stage in the local plan adoption process by postponing consideration of the UCO changes to a review of the plan. This would not prevent the UCO changes coming into effect and would allow time for more thorough consideration of the ramifications of the changes to be taken into account before suitable policies are drawn up.

Please advise if this is the Council's preferred option.

A copy of this letter should be put on the examination website for information purposes, but comments from other parties are not invited at this time.

Yours sincerely
