CLAIMS SETTLEMENT

Buildings Claims

How we settle claims

As long as the damage is covered under **your** policy, **we** will pay the cost of repairing or replacing the damaged parts of the **buildings**, including **fees and other costs**. If the damaged parts are no longer available in their original form, **we** will replace them with parts of a similar quality. If the **buildings** have not been kept in a good state of repair, **we** will pay the cost of repairing or replacing the damaged parts of the **buildings**, but **we** will take off an amount for wear and tear.

If repairs or replacement are not carried out

If **you** do not repair or replace the **buildings**, **we** will pay the reduction in market value of the **buildings** caused by the damage. **We** will not pay more than it would have cost to repair the damage if the repair work had been done straight away.

Building Regulations, Local Authority or legal conditions

We will not pay the cost of meeting building regulations, local authority or legal conditions if **you** knew that **you** needed to meet any regulations or conditions and a notice was served on **you** before the damage happened. **We** will not pay the cost of meeting any regulations or conditions if they apply to any undamaged parts of the **buildings**.

Maximum Sum Insured

The maximum amount we will pay in respect of loss or damage to an individual building is the **Sum Insured** **You** declared to us unless we have been advised of and have agreed to continue to provide cover in full.

Underinsurance

The policy is subject to the condition of average, that is to say, if the property covered by this Insurance shall at the time of any loss be of greater value (as defined by current RCIS figures) than the sum insured by this Policy, the Insured shall **ONLY** be entitled to recover hereunder such proportion of the said loss as the sum insured by this policy bears to the total value of the said property.

Inflation protection – index-linking

We will change the **buildings** sum insured each month using the Home Rebuilding Cost Index or another similar index.

Index linking will continue while the **buildings** are repaired or replaced as long as the sum insured, at the time of any damage, covers the **full rebuilding cost** and **you** make sure any work is carried out as quickly as possible.

If the sum insured increases because of index-linking, **we** will not make any extra charges until **you** renew the policy.

The new premium will be based on the new sums insured shown on the **schedule**.

Excess

We will take off the **excess** from the amount **we** pay **you** to settle **your** claim.

What **we** will pay

The most **we** will pay for any one claim under risks 1 to 16 including **fees and other costs**, is the **buildings** sum insured shown on **your schedule**. There may be special limits shown on **your schedule**.

The sum insured on **buildings** will not be reduced after a claim is paid.

CLAIM CONDITIONS

These are the conditions **you** will need to keep to as **your** part of the contract.

- nobody must admit they were responsible.
- contact **Us** immediately and provide full details in writing as soon as **you** can.

- contact **Us** as soon as **you** can.

For any other claim:

- tell **Us** as soon as possible.

Rights and Responsibilities

We may need to get into a **building** that has been damaged to save anything **we** can and to make sure no more damage happens. **You** must help **us** to do this but **you** must not leave **your** property with **us**, as **our** responsibility.

You must not admit, settle, reject, negotiate or promise to pay any claim without **our** written permission. **We** will not unreasonably hold back **our** permission.

We have the right, at **our** expense and in **your** name to:

- take over the defence or settlement of any claim
- start legal action in **your** name to get compensation from anyone else; or
- start legal action in **your** name to get back from anyone else any payments that have already been made.

You must give **us**, and pay for, all the information **we** reasonably ask for about any claim. **You** must also help **us** to take legal action against anyone or help us defend any legal action if **we** ask **you** to.

Other insurance

If **you** claim under this policy for something which is also covered by another insurance policy, **we** will only pay **our** share of the claim. **You** must give **us** full details of the other insurance policy.
