

Hare Street and Little Parndon

- Parking Problems in Springhills HUGG
- Increasing amounts of commercial vehicles taking residential spaces
- Bring back the kids swings in the park by wooding grove or at least cut the grass as this has become an unkempt field
- State of road surfaces in off-road locations e.g. residential parking area at colt hatch dangerous and damage to vehicles. Parking!!! Use of spaces by commercial vehicles!
- Improve/ Provide parking around Slacksbury hatch
- Permit parking does not work/ Good area overall
- Cars on pavement. Overgrown so dangerous as need to park on road
- Ban all cars from Little Parndon
- Tennis courts refurbishment separate basketball court
- Near the station a lot of properties are turning into 'Buy-to-Lets' – could cause problems.

Great Parndon

- Better Policing, more for youths
- Need speed control down Commons side road
- Better security around garage areas in estates
- Too few parking spaces in Shawbridge/ Hollyfield an accident waiting to happen
- Traffic speeds in Kingsmoor and Pynest roads. Traffic calming measures badly needed
- More dog poo bins along cycle tracks and Passmores House.
- Please fund the restorations of Kingsmoor House, it belongs to the people of Harlow + should not be sold for profit. Other old buildings in Harlow seem to mysteriously suffer from arson attacks, then left to be dilapidated. It is scandalous to let this happen!
- Need more dog poo bins from Tylney Croft to the town there are now
- Need to slow traffic in Jerounds. An accident waiting to happen.

Sumners and Kingsmoor

- More Police walkabouts parking area at the Taylifers people not parking their cars properly in allocated spaces – Too many kids hanging around the shops – need to open the playscheme again
- More Police on patrol more clubs to keep the kids off the streets
- More parks for the kids and a place for older kids
- Repair all the cycle lanes around Harlow. So all the family can go out for the day around Harlow all day.
- More dog waste bins near water lane school (Little Cattins). Grass cut more often. Tree + bush cutting back Taylifers/ Little Cattins (grassed areas at the back of school)
- A lot of broken glass near water lane school – back of Herald Pub

Town Show Comments by area

Netteswell

- Consult with residents before planning to build such things as stadium in park.

Mark Hall

- Need regular park wardens ("Parkies") on playing fields to keep eye out and protect our children
- Good plan but stow needs regen/ tidy up and repair/cleans infra/ drains tidy up woodland into parks
- Better parking
- More play areas for under 15s
- More shops at Stow – Supermarket
- Two can live as cheaply as one!
- Police Patrol
- Cycle Paths need regular road sweeper to prevent punctures and encourage use
- Loads of play areas for children badly needed

Old Harlow

- One way driving – Chippingfield
- Direct Bus to and from Pinnacles for work!
- Play schemes and youth club
- Monopoly of ownership of shops in High street
- Stop people parking for Harlow Mill Station in Hart Road!
- Parking on kerbs – Chippingfield
- Dutch style coffee shops

Church Langley

- Get rid of car trading on streets
- Grass Tennis courts
- Lots of parks but graffiti
- More swings and chutes in park
- Somewhere for teenagers to go instead of hanging around Tesco

Harlow Common

- Dumping rubbish around like the briars/ Copshall close areas
- More concerts

Potter Street

- More Playschemes (Teenagers)
- Cycle paths good
- Cycle path needed from Potter Street to Staple Tye

Toddbrook

- Safety for the children!! Roads are not safe
- There's enough dog poo bins why can't there be as many rubbish bins especially on the cycle paths as litter is awful

Tye Green

- Get rid of all the weeds in Bush Fair shopping areas and car park
- Look after the listed/TPO trees incl. Black Poplars, Oaks at Goldingsfield and Bush Fair car park
- Respect the Conservation Area... Keep out inappropriate over-development

Staple Tye

- The play area is being taken down, there should be more youth groups
- Too many flats more parking
- Industrial area is out of place and feels unsafe to walk through at night
- Children's swing/play parks – Formal play space
- Playschemes and other affordable activities for children
- Play area dilapidated, no rubbish bin there, or lighting at night might deter drinkers and drug users (Moorfield joiners field play area)
- Vegetation not cut back
- Bush Fair more street lighting
- Lots of broken glass + rubbish left along paths + cycle tracks. More dog bins need to be provided. Bushes and hedges need to be cut more often. Burnt-down rubbish bins still not replaces 3 months later.
- More for older children climbing mountain slides (big) Skate Park not happened!
- Cycleway alongside southern way turns into summers and does not provide access to water lane. No direct cycleway to Old Harlow + N.E. corner of town.
